PROFESSIONAL ARTISTIC EXPERIENCE

Self-Employed Freelance Artist 2018 - CURRENT

- Receive commissions in all forms of art which include 3D animation, illustration, comic books, and other mediums.
- Strongest in 3D animation developing characters, creatures, and cycles.

Comic Book Penciler 2021
Otis College of Art and Design

- Created thumbnails and pencil drawings for three comic book pages.
- Followed script by creating panels to make the story read well, created various dynamic shots, provided multiple perspectives, and remained proportionate throughout each comic page and panel.
- Led a team of four to complete eleven pages, overseeing respective responsibilities to complete the inks, colors, lettering, and rendering.
- Kept track of comic's progress by having weekly meetings to show progress to each other and our clients.

Children's Book Artist 2020

- Illustrated art for a children's book written by a veteran writer by providing thumbnails, drawings, and completing digital paintings of each page of the book and the book cover.
- Followed directions, remained communicative with the writer, and addressed notes based on feedback.

Graphic Designer and Illustrator 2016 – 2018
United States Army

- Designed illustrations and graphics for military leaders, programs, and events for the 10th Mountain Division and the Chaplain Corps. Art was used to promote events such as holiday celebrations, soldier entertainment, and religious affairs.
- Created illustrations for six of the 3rd-6th Field Artillery Regiment battalions and their twelve leaders representing their responsibilities and identity.
- Designed and painted two 12x9 inch murals for the Warrior Transition Unit's emblems in their business hallway with gouache and acrylic paint.
- Illustrated a Christian book for a Chaplain using Adobe Photoshop and Illustrator.
